GN125H

Stylish commuter for all ages

The GN125H is a perennial favourite with riders who want the essence of commuter riding with a dash of traditional style. Fitted with alloy wheels, a comfortable low seat and an electric-start 4-stroke engine with ample torque for brisk city riding. Nimble, agile, economical and fun everyday transport.

GN125H

Black

Large, clear speedo, tachometer and gear-position indicator

Flat rear carrier with pillion grabhandle

Strong front disc brake

- The 124cc air-cooled single cylinder engine delivers ample usable torque for city streets.
- Available in three glossy colours with accented pinstriping on the tank.
- 5-speed transmission is geared to make optimum use of engine torque output for smooth riding.
- Relaxed riding position with semi-pullback bars

and the well-cushioned seat.

- Classic chromed components include the front and rear fenders, rear-view mirrors, turn signal and stoplight-stays and grab-bar.
- The dual rear shock absorbers come with 5-stage preload adjustment.
- Convenient push-button electric starter.

- Front 18-inch and thick rear 16-inch tyres on sporty cast aluminium wheels.
- Conveniently shaped grab-bar is easier to hold and also takes luggage.
- Suzuki's unique gear-position indicator.
